

Curriculum Vitae

Georgi Ivanov Rainovski

Date and place of birth: June 7 1970, Botevgrad, Bulgaria

Nationality: Bulgarian;

Education, degrees and occupation (other than University):

October 2012: Doctor of Science (Dr. habil.) in Nuclear physics from University of Sofia. Habilitation thesis “An experimental study of low-energy $M1$ collective excitations in atomic nuclei”;

July 2001: Ph.D. degree in Nuclear Physics from the Scientific Council for Nuclear Physics, Particle Physics and Astronomy of the Bulgarian Higher Testimonial Commission. Thesis “Collective and single-particle excitations in the transitional nuclei $^{123,124}\text{I}$ and ^{123}Xe ”;

January 1997 – August 2000: Ph.D. student at the Faculty of Physics, St. Kliment Ohridski University of Sofia;

June 1996 - M.Sc. degree in Physics (Nuclear and Particle physics) from the University of Sofia. Diploma thesis “Band termination in ^{123}I ”;

October 1990- July 1996 - student at the Faculty of Physics of the University of Sofia;

September 1988 – August 1990 - soldier in the Bulgarian Army;

1985 – 1988 - student at the High School of Mathematics and Natural Science in Botevgrad, Bulgaria;

Languages

Bulgarian - mother tongue; English - spoken, written; Russian - spoken, written;

e-mail: rig@phys.uni-sofia.bg

Career/Employment

- **University positions**

- **June 2019 – present**

- Dean of the Faculty of Physics, St. Kliment Ohridski University of Sofia;

- **January 2015 – present**

- Professor of Nuclear Physics at the Faculty of Physics, St. Kliment Ohridski University of Sofia;

- **June 2012 – August 2019**

- Head of the department of Atomic physics, Faculty of Physics, St. Kliment Ohridski University of Sofia;

- **June 2007 – December 2014**

- Associate Professor of Nuclear Physics at the Faculty of Physics, St. Kliment Ohridski University of Sofia;

- **December 2003 – June 2007**

- Head Assistant Professor of Nuclear Physics at the Faculty of Physics, St. Kliment Ohridski University of Sofia;

- **01.09.2000 – December 2003**

- Assistant Professor of Nuclear Physics at the Faculty of Physics, St. Kliment Ohridski University of Sofia;

- **Other Academic and Research Positions**

- **August 2016 – November 2016**

- CERN Corresponding Associate at ISOLDE, Geneva, Switzerland.

- **March 2010 – September 2011**

- Humboldt research fellow (experienced researcher) at TU Darmstadt, Germany.

- **April 2004 – March 2006**

- Post-doc research associate at the Nuclear Structure Laboratory, Department of Physics and Astronomy, State University of New York at Stony Brook, Stony Brook NY 11794-3800

- **January 2002 – October 2003**

- Research associate at the Department of Physics, Oliver Lodge Laboratory, Oxford Street, Liverpool L69 7ZE United Kingdom;

July – October 2001

Guest Scientist at the Institut für Kern- und Hadronenphysik, Forschungszentrum Rossendorf, 01314 Dresden, Germany;

October – December 2000

Guest Scientist at the Institut für Kern- und Hadronenphysik, Forschungszentrum Rossendorf, Germany;

September 1999 – July 2000

Guest Scientist (DAAD grant) at the Institut für Kern- und Hadronenphysik, Forschungszentrum Rossendorf, 01314 Dresden, Germany;

March – May 1999

Guest Scientist at the Faculty of Physics, University of Istanbul, Turkey;

March – May 1998 - Guest Scientist at the INFN, Milan and University of Camerino, Italy;

Publications

- More than 120 publications in international refereed journals, h-factor 22;
- Author ID (SCOPUS):6603772651
- Research ID (Web of Science):A-3450-2008
- ORCID ID:<http://orcid.org/0000-0002-1729-0249>

Serving the community

- Referee for Physical Review C – since 2004;
- Referee for Journal of Physics G – since 2004;
- Referee for Physics Letters B – since 2011;
- Referee for Nuclear Physics A – since 2013;
- Referee for Physics Review Letters – since 2018;
