

PERSONAL INFORMATION

Hassan Houmani

 Nabatieh, Lebanon

 +9613191160

 Hassanhoumani@yahoo.com
Hassan.houmani@gmail.com

Sex Male | Date of birth 08/04/1986 | Nationality Lebanese

WORK EXPERIENCE

(2016 - Present) **Assistant Dean - School of Business**
Lebanese International University-LIU, Lebanon.

Responsibilities: *Plans, organizes, and directs the day-to-day operations of the School of Business in Nabatieh Campus.*

Teaching: Economics for Managers (MBA LEVEL)
Introduction to Microeconomics
Introduction to Macroeconomics
Introduction to Business Statistics
Advanced Business Statistics
Business and Managerial Math
College Algebra

(2011 - 2016) **Coordinator for Statistics and Math courses in the School of Business and Accounting advisor for more than 300 students.**

Responsibilities:

- *Coordinate with instructors regarding courses' exams and concepts for all LIU campuses.*
- *Advice students to register in the appropriate courses.*

Teaching: Introduction to Microeconomics
Introduction to Business Statistics
Advanced Business Statistics
Business and Managerial Math
Quantitative Methods for Business Decisions
College Algebra

EDUCATION AND TRAINING

(2016 - Present)

Ph.D student in Mathematics

Politehnica University of Bucharest, Romania

Thesis Title: Best Proximity Points for Some Classes of Nonlinear Operators

(2008 - 2010)

M.Sc. in Statistics

Lund University- LU, Sweden, **Graduated with High Honors.**

Thesis Title: Investigation of GARCH Models for the Estimation Power and Normality

(2004 - 2008)

B.Sc. in Mathematics

Lebanese International University- LIU, Lebanon, **Graduated with Honors.**

PERSONAL SKILLS

Mother tongue(s) Arabic

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	Very Good	Very Good	Very Good	Very Good	Very Good
English C1/2					

Communication skills ▪ Good communication skills gained through my experience in teaching, coordination and administration.

Organisational / managerial skills ▪ Leadership (currently, coordinator in the Economics & Statistics department that consists of more than 21 instructors over 9 campuses)

Job-related skills ▪ Good command of quality control processes (currently responsible for quality teaching, curriculum)

Digital skills ▪ Good command of office suite (word processor, spread sheet, presentation software)
 ▪ Good command of latex and scientific workplace
 ▪ Good command of SPSS, MATLAB and E-views.

Other skills ▪ Swimming

ADDITIONAL INFORMATION

Publications

1. Houmani, H, Turcanu, T: CQ-type algorithm for reckoning best proximity points of EP-operators. *Symmetry-Basel*, 12(2020), No. 1, Art. No. 4.
2. Ali, MU, Farheen, M, Houmani, H: On a study of best proximity points for R-proximal contractions in gauge spaces. *U. Politeh. Buch. Ser. A* 82(2020), No. 1, 151-160.
3. Ali, MU, Houmani, H, Kamran, T: New type of proximal contractions via implicit simulation functions. *J. Nonlinear Convex Anal.* 20(2019), No. 3, 435-445.
4. Ali, MU, Farheen, M, Houmani, H: Best proximity point theorems for implicit proximal contractions on gauge spaces. *J. Math. Anal.* 8(2017), No. 6, 180-188.
5. Ali, MU, Fahimuddin, Kamran, T, Houmani, H: Best proximity points of F-proximal contractions under the influence of an alpha-function. *U. Politeh. Buch. Ser. A* 79(2017), No. 4, 3-18.

Conferences

Houmani, H: New type of proximal contractions via implicit simulation functions, Second Romanian Itinerant Seminar on Mathematical Analysis and Its Applications, Constanta, May 10-12, 2019.
