WORK EXPERIENCE

01/08/2016 – CURRENT – Bucharest, Romania

Security Engineer

National Defense System

- Securing critical infrastructures;
- Protection of network systems;
- Designing security policies for computer systems.

EDUCATION AND TRAINING

15/09/2008 – 13/07/2012 – Theoretical High School "Alexandru Ioan Cuza", Bucharest, Romania

High School Diploma

Intensive Computer Science

- Designing and structure of software products required for the implementation of software systems, software applications, databases, WEB pages (client-oriented software);
- Customize, configure and modify software applications in order to adapt the client's IT systems.

01/10/2012 – 29/07/2016 – Military Technical Academy "Ferdinand I", Bucharest, Romania

Bachelor Degree

Faculty of Mechatronics and Integrated Armament Systems

- Perform computations, demonstrations and theoretical developments, to solving Computer Engineering problems;
- Analyzing the constructive and functional principles of Integrated Systems;
- Leading and coordinating the activities of the technical structures;
- Performing the professional duties, while respecting the values and ethics of the profession of engineer, within restricted autonomy conditions and qualified assistance, based on documentation, logical thinking, practical applicability and optimal decision;
- Developing the specific role of the team working on different responsibilities as well as distributing tasks towards the subordinated levels, adapting to dynamic demands;
- Taking responsibility to elaborate a personal self-perfecting program within speciality, applying fundamental investigation concepts;
- Develop the ability to be a leader of military technical organizations or structures;
- Ability to analyze and solve security problems.

01/10/2016 – 28/06/2018 – Politehnica University of Bucharest, Romania

Master's Degree

Encryption and Storage of Information, Faculty of Applied Sciences

- Develop the ability to use modern mathematical knowledge in the field of informatics research;
- Acquire the necessary skills in using UNIX and LINUX operating systems;
- Acquire the knowledge and develop the skills for computer networks design and administration;

- Develop the skills needed in preventing network security attacks and ensuring a secure data traffic transport;
- Develop team work abilities;
- Develop the aptitudes required for scientific research.

**01/10/2018 - CURRENT** - Politehnica University of Bucharest, Romania

### PhD Student - Electronic Engineering and Telecommunications

Faculty of Electronics, Telecommunication and Information Technology

**01/10/2020 - 18/12/2020** - National Defense University "Carol I", Bucharest, Romania

### Critical Infrastructure Protection Officer

- Protection management of critical infrastructures;
- Information security of critical infrastructures;
- Modeling and simulation of the critical infrastructures;
- Management and organizational analyst;
- Identify and applying managerial functions to meet the organization's goals.

## DIGITAL SKILLS

CISCO - IT Essentials: PC Hardware and Software / CISCO - CCNA Exploration: Network Fundamentals / CISCO - CCNA Exploration: Routing Protocols and Concepts / CISCO - CCNA Exploration: LAN Switching and Wireless / CISCO - CCNA Exploration: Accessing the WAN / CISCO - CCNA Security

## LANGUAGE SKILLS

**MOTHER TONGUE(S):** Romanian

**OTHER LANGUAGE(S):**

**English**

Listening	Reading	Spoken production	Spoken interaction	Writing
B1	B1	B2	B2	B2

## PROJECTS

### Projects

**Data Center Security Plan**, Information and Communications Technology Sector, Information Security Infrastructures Subsector, Carol I National Defense University, Faculty of Command and General Staff, Critical Infrastructure Protection, Bucharest, 2020.

## JOB-RELATED SKILLS

### Job-related skills

Computer forensics, data analysis, security audit, self-motivation, teamwork, flexible, creativity skills, ability to work under pressure.

## ORGANISATIONAL SKILLS

### ● **Organisational skills**

Organizational leadership, time management, reliable, decision-making, organised, punctual, honest, relationship builder.

## COMMUNICATION AND INTERPERSONAL SKILLS

### ● **Communication and interpersonal skills**

Confidence, open mindedness, clarity and concision, easily adaptable (at *tended personal development program "Young People in Interaction", organized by ORDES*).

## HOBBY

### ● **Hobby**

I like to travel, to practice mountain bike, to swim and go to the gym whenever I can.
